SHARPS.

*No Contract Needed
OSHA Approved
Disposal at your convenience*

Switch today and experience cost savings with no commitments!

The Sharps Disposal By Mail System[®] provides reduced handling of regulated medical waste, elimination of unnecessary pick-ups, no contracts, and disposal at YOUR convenience.

For over 10 years, the Sharps Disposal By Mail System[®] containers have been utilized by many well-known companies in the healthcare industry. They have standardized their services with our solutions.

Sharps Disposal By Mail System[®] containers are, when used, simply sent back via U.S. Mail for complete disposal. Dental offices benefit from reduced operating expenses, outsourcing risk management, and increased staff safety.
