## GC FIBER POST & GRADIA® CORE

GRADIA CORE has a one-step, self-etching bonding system and the easy mixing system results in a homogeneous mix of the two paste components with an optimal consistency, long working time and rapid dual-cure.

### GC FIBER POST Placement: Clinical Steps

#### Step 1: Preparing the Canal and GC FIBER POST

#### Step 2: Placing the Post and Building the Core

### Easy Mixing, Cementation and Core Build-Up

**Bonding Treatment**  
Easy to use, 2 liquid mixing, 1 step treatment bonding system.

**Post Cementation and Core Build-Up**  
EM (Easy Mix) system. Fewer bubbles and easy extrusion of the cement. The excellent flow characteristic and paste consistency enable placement without use of a pre-formed matrix. The paste also offers a long working time for accurate placement.

**Curing**  
Snap curing, deep curing depth, quick setting time.

**Prepare the Teeth**  
Material cuts similarly to dentin.

#### GC FIBER POST - KITS

**400001 GC FIBER POST - ASSORTMENT KIT**  
Contains: 5 Posts - Diameter 1.2, 5 Posts - Diameter 1.4, 5 Posts - Diameter 1.6, 1 Drill - Diameter 1.2, 1 Drill - Diameter 1.4, 1 Drill - Diameter 1.6, IFL Technique Card

#### GC FIBER POST - REFILLS

Contains: 10 Posts of one size.  
**400002 Diameter 0.8**  
**400004 Diameter 1.2**  
**400008 Diameter 1.6**

#### GC FIBER POST - DRILL REFILLS

Contains: 1 Drill of one size.  
**400007 Diameter 1.2**  
**400009 Diameter 1.6**

#### GRADIA CORE

**003451 GRADIA CORE KIT**  
Contains: 16 mL cartridge (A), self-etching bond liquid A (B), self-etching bond liquid B (C), mixing tip (D), intra-oral nozzle (E), mirror tip applicator (F), mirror tip holder (G), dispensing tip (H)

#### 003452 GRADIA CORE CARTRIDGE REFILL

Contains: 16 mL (0.5 fl. oz.) cartridge.  
**003453 GRADIA CORE SELF-ETCHING BOND LIQUID A REFILL**  
Contains: One bottle 3 mL.

#### 003454 GRADIA CORE SELF-ETCHING BOND LIQUID B REFILL

Contains: One bottle 13 mL.

#### GRADIA CORE - KITS AND GUN

**400011 GRADIA CORE POST & CORE SYSTEM KIT**  
Contains: 1 GRADIA CORE KIT (10 mL cartridge (A), self-etching bond liquid A (B), self-etching bond liquid B (C), mixing tip (D), intra-oral nozzle (E), mirror tip applicator (F), mirror tip holder (G), dispensing tip (H)), 1 GC FIBER POST ASSORTMENT KIT (5 Posts each - diameter 1.2, 1.4, 1.6, 1 Drill each - diameter 1.2, 1.4, 1.6, Technique Card, IFL), 1 GRADIA CORE DISPENSER GUN

#### 400010 GRADIA CORE DISPENSER GUN

Contains: One Dispenser Gun to be used exclusively with GRADIA CORE
